hosted by the Center for High Defence Studies (CASD) and the ESDC

The Italian Ministry of Defence, through the Center for High Defence Studies (CASD), and the European Security and Defence College (ESDC) have the honour of co-organising the course on Civilian Aspects of EU Crisis Management to be held in Rome (Italy), from 11 to 14 November 2019.

The course on Civilian Aspects of EU Crisis Management aims to develop and promote a better understanding of CSDP as an integral part of the Common Foreign and Security Policy (CFSP) of the European Union.

The course consists of an **eLearning part**, as well as a **residential session**, held in Rome, both parts being compulsory. This course will enhance a common understanding of civilian aspects of EU crisis management among personnel of Member States, EU Institutions and relevant EU Agencies involved in EU crisis management, taking into account the comprehensive approach. Participants will have the opportunity to network, share views and perspectives with one another and with professionals in the field of CSDP.

We would like to invite you to nominate participants for this course on Civilian Aspects of EU Crisis Management, which would offer them an excellent opportunity to gain an insight into CSDP and contribute to achieving the ultimate goal of the course: *providing Member States and EU institutions with knowledgeable personnel, able to work in CSDP related fields.*

Please find below details concerning the registration process and a tentative programme.  
The course will be open to Third Partners.
