EU SECURITY & INTEL AWARENESS COURSE

The Intelligence College in Europe (ICE), in partnership with “Mihai Viteazul” National Intelligence Academy, under the aegis of the European Security and Defense College, has the honor to invite you to the first EU Security and Intelligence Awareness Seminar. The event will take place during May 13-14, 2025, in residential format, being hosted by the ESDC (Belmont building, European Parliament).

The seminar has been designed to accommodate EU relevant and tailored debates on intelligence and security: intelligence institutions and practices, Foreign Information Manipulation and Interference (FIMI), Counterintelligence, Cybersecurity, EU legal security rules and data protection, insights into EU Security branches 'work & support (Commission, Council, EEAS and Parliament), security roles within EU delegations and missions, and intelligence for EU decision-makers: SIAC's role. Expected participants include representatives and officials of EU institutions, and European Economic Area M.S. officials eligible for ESDC, as well as officials from member states with a vocation to work in the EU institutions or with the EU Institutions training.

The ESDC is committed to an inclusive, gender-sensitive and anti-discriminatory environment. Only in an inclusive environment can all people, and therefore the ESDC and its partners, reach their true potential. We therefore particularly encourage applicants who are likely to be under-represented to apply.

The ultimate goal of the EU Security & Intelligence Awareness Seminar is to reinforce security culture among EU officials and M.S. officials interacting with EU institutions.
