

**Invitation to the
CSDP Orientation Course**
(Activity Number 23-24/3/21)
Brussels, 17-21 June 2024

The Romanian National College of Home Affairs has the pleasure to organise, under the aegis of the European Security and Defence College (ESDC), the **Common Security and Defence Policy (CSDP) Orientation Course**, that will take place in Brussels, in a residential format, from 17 to 21 June 2023.

The CSDP Orientation Course is a major component of EU training activities in the field of the Common Security and Defence Policy. It aims to develop and promote a better understanding of CSDP as an integral part of the Common Foreign and Security Policy (CFSP) of the European Union. The course will provide participants with an overview of the civilian and military aspects of European Security and Defence Policy and going into more detail as it unfolds.

The course consists of an eLearning part, as well as a residential session, both parts being compulsory. It will offer an in-depth analysis on Common European Security and Defence Policy, while the participants will have the opportunity to network, share views and perspectives with one another and with professionals in the field of CSDP.

Participants would generally be entry / mid-level staff (police, military, diplomats & civilians) from Member States, EU institutions and agencies, and third countries / international organisations, with some experience in security policy matters.

The ESDC is committed to an inclusive, gender-sensitive and anti-discriminatory environment. Only in an inclusive environment can all people, and therefore the ESDC and its partners, reach their true potential. We therefore particularly encourage applicants who are likely to be under-represented to apply.

We would kindly invite you to nominate suitable candidates for the CSDP Orientation Course and hence support the accomplishment of the ultimate goal of the course: *providing Member States and EU institutions with knowledgeable personnel able to work in CSDP-related fields.*
