

HELLENIC JOINT INTELLIGENCE SCHOOL
EUROPEAN SECURITY AND DEFENCE COLLEGE

INVITATION TO THE “IMAGE INTELLIGENCE ANALYSIS (IMINT)” COURSE

(Activity Number: 22-23/269/1)

Athens, 5-16 December 2022

Greece has the honour to organize, within the European Security and Defence College (ESDC), a course dedicated to “Image Intelligence Analysis (IMINT)”. This course is organized by the Hellenic Joint Intelligence School (HJIS), as part of the PESCO project “Joint EU Intelligence School (JEIS)”. This course will take place in Athens, from 5 to 16 December, 2022.

The IMINT course is intended to strengthen the establishment of the Cyber Education Training Exercise and Evaluation (ETEE) platform of the ESDC and widen the scope of its activities by addressing trainings in Image Intelligence Analysis.

This course therefore aims to provide a forum for the exchange of knowledge and best practices among «Image Intelligence Analysts» by improving their knowledge, skills and competencies via lab exercises.

The course will be held in English and can accommodate a maximum of 7 participants. The attendance must be physical because of the lab exercises and classification level requirements. The **deadline** for applications is on **15 November**.

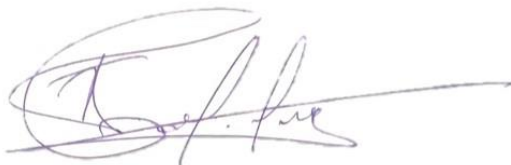

Details regarding COVID 19 awareness and location of the HJIS as mentioned in the Annexes «A» to «B», accordingly.

This training course is open to military personnel (NCOs OR-6 through OR-9, WO and Officers OF-1 through OF-5) and mid to senior civil servants from EU Member States and EU institutions and agencies who are currently employed in positions in which they are required to deal with intelligence requirements and analysis requests or who are willing to discuss and update their knowledge on these issues.

The training will consist of an e-learning preparatory phase as well as a residential course in Athens which will be held from 5-16 December, 2022. Both parts of the course are mandatory.

Therefore, it is with great pleasure that we invite you to this Image Intelligence Analysis Course (IMINT). You will find below all the details regarding the registration process for this course.

Spyridon TOUZOPOULOS
