

EUROPEAN SECURITY AND DEFENCE COLLEGE INVITATION

to the

Annual Conference of the European Association of Peace Operations Training Centres (EAPTC) 2023

Brussels, 7 to 9 of June 2023

'Enhancing training capacity and cooperation on peace, security and defence'

The European Security and Defence College (ESDC) is honoured to host and organise the 11th Annual Conference of the European Association of Peace Operations Training Centres (EAPTC).

The European Association of Peace Operations Training Centres (EAPTC) brings together military, police, diplomatic and civilian training institutes, think tanks and universities across Europe dedicated to topics relevant to peace operations and crisis management, to build and strengthen regional cooperation. In its yearly conference, hosted by an EAPTC partner, the EAPTC exchanges views on good practices, innovative approaches and current developments as regards training. The first EAPTC conference took place in 2013 in Lübeck, Germany. The EAPTC is associated with the International Association of Peacekeeping Training Centres (IAPTC).

The conference will take place in Brussels over three days – from 16:00 on 7 June 2023 until 14:00 on 9 June – and will focus on enhancing training capacity and cooperation on peace, security and defence. The programme will consist of working group sessions and panel discussions involving speakers with expertise in peace operations and crisis management working for the EU institutions and relevant Member State training bodies. The conference will review the past 20 years of CSDP missions, with a forward-looking approach. Working group sessions will cover emerging areas and recent policy developments, such as the Civilian Compact, leadership/management in CSDP missions and operations, knowledge management, the training architecture of the EU, environmental peacebuilding/climate security, and how the New Agenda for Peace influences the EU.

The conference also provides a great opportunity for networking and interacting with the relevant EU institutions and with training institutes from all over Europe.

The ESDC is committed to an inclusive, gender-sensitive and discrimination-free environment. We therefore encourage those applicants who are likely to be underrepresented to register.

It is our great pleasure to invite you to participate in this annual conference, and we look forward to seeing you in Brussels in June.

Brussels, 27 April 2023
