## EUSM Mandate

- The European Union Solomon Islands Mission (EUSM) was deployed on 1 September 2017 with a mandate to strengthen the rule of law, good governance (trust building) and security sector. Its key counterparts are the Ministries of Interior, Justice and Defence, as well as the internal security forces (police). The Mission will implement the mandate through MMA activities as well as training and supplying equipment. The mandate initially lasts for two years, until 31 August 2019. It will soon be revised and may be considered for possible extension.
